CARE KITS

TO HELP AN UNSHELTERED PERSON

During these months, those who are unsheltered need extra supplies and prayers. Consider making these “Care Kits” to be placed in your car to help those on living on the streets during these cold winter months.

HOW TO PACK A CARE KIT

The following items can be placed in a gallon-size bag.

1. SOCKS Homeless men and women spend a lot of time on their feet trying to get to resources and appointments. A fresh pair of clean, dry socks can feel like heaven on tired, soggy feet. Throw in some band-aids to help ease the pain of blisters.

2. SNACKS AND WATER

Throw in some packets of nuts, crackers, dried fruit, trail mix, granola bars, breakfast bars, instant noodles or other light-weight, quick snacks. Water brings relief, especially in hot weather.

3. HYGIENE ITEMS

Add anti-bacterial lotion for when soap and water aren't available. Include small soaps and shampoo from your hotel stays. Consider lip balm, toothpaste, toothbrush, washcloth, comb, brush, razor, shaving cream and deodorant. Avoid items such as mouthwash or hand sanitizer that contain alcohol.

PRAY! PRAY! PRAY!

Pray for Resistance Against Temptation. Because of their desperate situation, homeless people are more prone to temptation. They get tempted to commit crimes or take addictive substances. Help them pray for the strength to resist such temptations.

Pray for Spiritual Rehabilitation. Pray that in spite of what they are going through, they remain steadfast in the Lord.

Pray for Friendship and Courage. Most of the time, homeless people have only themselves. Pray that they will have the courage to get them through this trying time. Pray also that they will meet a friend who will understand, support, and help them get back on their feet.
