SUGGESTED READING LIST - ISRAEL

The more you know before we go the more you will get out of our trip. Therefore, I am attaching a suggested reading list you may want to use. In addition to being familiar with the New Testament the following Old Testament books are helpful: Genesis, Numbers, Joshua, Judges, Ruth, 1st and 2nd Samuel, 1st and 2nd Kings, 1st and 2nd Chronicles, Ezra and Nehemiah..

The Source by James Michener

The Hope by Herman Wouk

The Glory by Herman Wouk

The Gifts of the Jews by Thomas Cahill

Joesphus, the Essential Works by Paul Maier

Israel, My Beloved by Kay Arthur

The Dove Keeper by Alice Hoffman

Our Man in Damascus by Elie Cohn

Exodus by Leon Uris. Exodus is also available on DVD starring Paul Newman and Eva Marie Saint. I have rented it through Netflix. There is a good video on Masada that is also available.

There is a lot of info on www.jewishvirtuallibrary.org about Judaism and the time line is great. Well worth looking at.
