In order to shop the presale Thurs. from 6:00-8:00pm, you MUST volunteer a minimum of four hours (not necessarily consecutive).

Preparation

The key to successful consigning is preparation. The better your items look the more you can charge, so take the time to prepare your items right. A little bit of work before the sale will lead to a larger check following the sale!

Please price your items in no less than \$0.50 increments, with the minimum price for all items in the consignment sale being \$1.00. If you have items that are less than \$1.00, please put them with something else and combine them so that they are valued at more than \$1.00. Grouping items together in a Ziploc bag will help you sell these items. Please tape the seller tag to the outside of the Ziploc bag with clear packing tape. Please lock your Ziploc bag closed with a piece of clear packing tape. **For items that are \$20.00 or more, please highlight the print on your tag with a yellow highlighter, to alert the cashiers that this is a higher priced item.** At very busy times during the sale when we are ringing up many items, mistakes are possible. Any help we can give the cashiers to alert them to a higher priced item is appreciated.

Clothing should be hung up with Seller Tag pinned to the top left corner. Please use safety pins or a tagging gun, straight pins will not be accepted. Please pin seller tag to the top left shoulder (when being worn) of shirts, jackets, etc. and to the top left pocket area on shorts, skirts, pants, etc. Please place all maternity clothing on hangers. Please have hanger facing away from the tag so that customers can view all clothing in the same direction.

If clothing has more than one item, such as a short set, please pin items together so that they do not become separated. Place the top on the top and pants on the back and pin with a safety pin so that customers can see all items!!

You MUST have a seller number (from the preschool office-777-3902) before writing your tags. This number MUST appear on all tags. You will be receiving 70% of the price for all of your merchandise that is sold!!!

Drop-Off

All items are visually inspected at drop-off. We keep standards very high so that shoppers can shop with confidence, knowing our quality control is top-notch. Please allow 30 minutes for drop-off. You may drop off on Wednesday night between 8:00-9:30pm or Thursday morning between 9:00 and 10:00 am in the FLC. **You must display your own items in the designated areas where they belong.** Signs will be posted and volunteers available to guide you where to put your items.

Volunteer to Work

We require **EACH SELLER** to volunteer to work **2 hours**. The hours that are worked can be during set up, during the sale, or during clean-up. The clean-up must be finished quickly because Gloria Dei has services in the FLC on Saturday night at 5:30pm.

Completion of Tags

Be sure to include the price, size (if applicable) and seller number on EVERY tag! Please describe your item with a short description that will help you sell it!! For example, "Osh-Kosh Sundress", "Only worn once" or "Like New".

You will have the option to select whether you want your leftover items from the consignment sale to be returned to you or donated to a local charity. If you choose to donate your items, you will receive a spreadsheet of your sales that can be used for tax purposes. If you would like the items returned to you, please circle the "N" on the tag. If you would like the items donated, please circle the "Y".

If it is OK with you to charge ½ price for an item on the last day of the sale, use a black pen to write your tags. If you DO NOT allow us to put your item on discount, use red pen to write out your tag. If someone uses both red and black pens to mark the price, we will assume that the item cannot be half price. Do not change prices on tags. If you want to alter a price, write out a whole new tag. No sticker prices or tags from other sales are allowed.

If you want the preschool to get ALL of the money from an item, please write "99" for the seller number on that tag. Former sellers will have their numbers reserved for reuse up to 1 week before the sale and then released if the seller has not registered for the new sale.

Pick Up

All items NOT PICKED UP by 12:30 pm on Saturday will be loaded and delivered to a charity at that time. All unsold items must either be picked up or donated. You will be asked to fill out a short form at drop-off time that indicates your pick-up plan. Please mark your calendar today if you plan on picking up unsold items. We will donate all your items if you do not make it to pick-up on time. **If you are picking things up at the end of the sale, you need to leave boxes with your seller number clearly indicated on them.** At the end of the sale, we will use those boxes to collect your things for pick up. You will receive your check within two weeks of the sale. All sales are final. We are not responsible for lost or stolen goods. We are not responsible for unsold goods due to lost tags.
