Tiny Treasures Fall Consignment Sale

How do I participate?

The *Tiny Treasures Consignment Sale* is open to the public. If you are interested and would like to sell your items at the consignment sale, you will need to register on-line at www.gdlc.church. We will then email you a seller number. You will also find instructions on-line for getting your items ready for the sale, as well as tags for your items. You will need to include your assigned seller number on your tags. If you are unable to print your own tags, the preschool office can provide some for you.

The Cost: All sellers must pay a \$5.00 registration fee when you register on-line to help off-set operating costs. You will determine the price of your items and will keep 70% of the selling price; Tiny Treasures Preschool will keep the remaining 30% of the selling price.

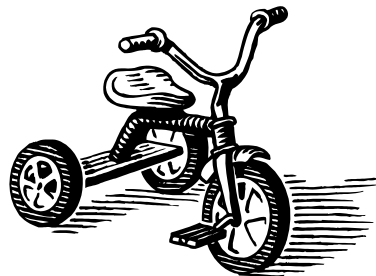

Volunteer

We require **ALL SELLERS** to volunteer **2 hours** during set up, the sale, or during clean up. We need your help! If you want to shop the presale you need to volunteer to work **4 hours**.
